CHEMTRAILS!!

“WHAT IN THE WORLD ARE THEY SPRAYING?”

A FILM BY *G. Edward Griffin*- (1st Australian screening!)

AN INVESTIGATION INTO ALL ASPECTS OF THE PHENOMENON OF *CHEMTRAILS!* OVER THE PAST DECADE AND MORE, LONG WHITE TRAILS EMANATING FROM JET PLANES HAVE BEEN SEEN LINGERING IN THE SKIES ALL OVER THE PLANET, OFTEN EXPANDING AND MERGING TO FORM VAST SWATHES OF ARTIFICIAL CLOUD COVER.

THESE TRAILS ARE CLEARLY NOT WATER VAPOUR CONTRAILS, WHICH EVAPORATE AFTER SEVERAL MINUTES. THEY REMAIN OVERHEAD FOR LONG EXTENDED PERIODS OF TIME, OFTEN CULMINATING IN STRANGE GRID LIKE FORMATIONS. NOW THEY HAVE PEOPLE ASKING SOME SERIOUS QUESTIONS.

WHAT ARE THESE TRAILS, WHO IS SPRAYING THEM INTO OUR ATMOSPHERE AND FOR WHAT PURPOSE?

THIS FILM SETS OUT TO ANSWER THOSE QUESTIONS AND DISCOVERS SOME DISTURBING ANSWERS.
